April/May 2014

Dear Friends and Supporting Churches,

Deputation Update

We were blessed to be a part of a missions conference in Decatur, TX at the end of April. We were encouraged by the sweet spirit of the church family, and the other missionaries that were there. It was truly a blessing-filled week! We are continuing to trust the Lord for the meetings He would have us be a part of. We know that He is able to supply our needs, and He has proven that over & over!

Philippines Trip

We praise the Lord for all that He allowed Bro. Bingham to be a part of while he was in the Philippines during the month of May. He spent approximately one week with Bro. Francis Teodoro and his family. During this week he participated in the church's VBS, a baptismal service, and Trinity Baptist Church's one year anniversary service. Many were saved, and the pastors that came to celebrate the anniversary were encouraged. He spent the second week of his trip with Bro. Rackson Suico and his family. During this week God answered months of prayers by providing the money needed to purchase land for the church. Bro. Bingham also had the privilege of leading Bro. Suico's aunt to Christ. She is still very sick, but has no fear of death now. The trip closed with the opportunity to preach to more than ten national pastors. It was very encouraging to hear about their works and zeal for the Lord. Please pray for God's will as we look for more opportunities to visit the mission field.

Projects / Printing Ministry

We now have all the documentation required to connect electricity to the print shop! We are excited that this step will be completed soon! We truly believe that God's will is for His Word to be printed here in Rendon and distributed to various southern locations. Please pray that God will continue to provide.

We would also ask you to pray for the container of books that were donated to the Huckabee family during "Book it to Uganda." The people in Uganda are so excited for those books to arrive that they have begun to build a wonderful library building—brick by brick. Unfortunately, the books are still sitting here in the states due to a lack of finances to ship the container. If you would like to help or give toward that need, please let us know.

Please pray for upcoming projects and opportunities to be a help to our missionaries.

For the Great Commission,

The Bingham Family
