August - October 2016

Dear Churches and Friends,

We apologize for the delay in reporting, the last few months have been extremely busy.

Current Projects

VBS Express: We are nearing the end of another successful VBS Express! So many churches and individuals have given to help the children in the Philippines with the needed school supplies for the coming school year. There is still time to help if you have not been able to - the deadline for items is November 18. Please pray for the shipping of the supplies to go smoothly and if you need a list of needed items, please let us know.

Also, please pray for an opportunity to ship donated supplies to the Philippines for a national church planter. This will be a bigger shipment with a keyboard and other church supplies.

Completed Projects

We have been very blessed to help with a couple of works in Mexico over the last few months. We were able to provide school supplies and gifts for a special program for Ms. Billie Sloan. We were also able to help provide school supplies and musical instruments to the Annabel de Vallejo home in Guadalajara, Mexico.

Souls 4 Zambia: More than 450 pairs of flip flops were shipped to the Matacchiera family to be used as they minister in Zambia. We will also be helping with the shipping fees to get these items from New York to Zambia so that they can be distributed.

Christmas in July: All 200 hat and scarf sets for the Fort Worth homeless were delivered to Bro. Griffin by mid-October! We are awaiting 4 promised scarves to complete the sets for Los Angeles which will finish this project. We enjoyed hosting a 'work day' during the month of October. It was a good time working on items and sharing sweet fellowship with all.

We praise God for all the individuals and churches He used to meet the goals for these projects and others. We are humbled by the sacrifice of many so that we can fill role of Epaphroditus.

For the Great Commission,

The Bingham Family
