December 2013

Dear Friends and Supporting Churches,

We hope your Christmas was merry and your New Year exciting. We have enjoyed time with family and friends. Through the many trials and blessings of this year we are thankful that God was always good. We are looking forward to what God will do this year as we serve Him and others.

Deputation Update

December was a bit of a slow month for meetings, but we were able to preach and present HOME TEAMS in two churches and we had a wonderful time at both. It is always a blessing so see people rise up from the altar and hear their excitement after making a decision to serve God with their life.

Completed Projects

Though the big projects had been completed, God allowed us to make to make some connections this month. God has been answering specific prayers for needs with phone calls from people offering to meet needs they had no idea about. One was a travel computer for a prison evangelist who is on the road much of his time and the other was some school curriculum that will be used on the foreign field. The fourth grade material is the material the missionary had decided not to buy because they didn't have enough money and it was the grade they thought they could do without! We are so privileged to see God meeting needs and using us the way He does.

Upcoming Projects

We have multiple requests and opportunities to be on the foreign field this year as well as project opportunities. We will continue to introduce our ministry to missionaries as we meet them while we try to raise our support. Please pray for wisdom and God's will as we strive to serve Him.

Family Update

We want to thank all who have been praying for Melissa and AJ during this pregnancy. AJ's official arrival has been scheduled for Tuesday, February 18, 2014. Please continue to pray health and a safe delivery.

For the Great Commission,

The Bingham Family
