February-March 2017

Dear Churches and Friends,

We rejoice greatly that our youngest daughter, Hannah, received Christ as her personal Saviour on March 25th! Jeremy was privileged to baptize her this past Sunday.

Completed Projects

The media branch of our ministry continues to be a much needed asset to our missionaries. We were able to help Bro & Mrs. Anchando with updated prayer cards last month.

We also recieved confirmation that all VBS Express supplies have been delivered to the Philippines. We anxiously await updates on how these will be a bless the works & people there.

Current Projects

Saturate Samoa with the Scriptures is our latest project. We are partnering with Bro Jim Civale to get the Word of God into the hands of the Samoan people. Just \$5 can put an entire Bible into the hands of a Samoan Soul! There are several ways that you can help. You can mail a check directly to HOME TEAMS Missions, or online with a credit card or PayPal by scanning the QR code below or by browsing to www.jimcivale.edifyhub.com/bibles and clicking Donate.

Looking Forward

We are in the beginning stages of planning two separate mission trips for the upcoming year. We will be traveling to Croatia in October to deliver items for Christmas in Croatia. We look forward to seeing the great work there and we will have a list of needed items we can take them soon.

We will be co-hosting our first group missions trip in January of 2018. We will be partnering with Dry Run Independent Baptist Church to take a group to Samoa to help the Civales with construction and renovations for their next church plant. Spaces will be limited. Please contact us if you are interested in more details.

Our family picture is finally updated and we will have a new letterhead and new prayer cards available soon!

For the Great Commission,

The Bingham Family
