January 2014

Dear Friends and Supporting Churches,

We are very excited to see all that 2014 has in store for HOME TEAMS and for the missionaries that we are endeavoring to help. We greatly appreciate your prayers and support.

Deputation Update

January has been another slow month for meetings. However, we were blessed with the news of another church voting to pick up HOME TEAMS for monthly support! We are so thankful for all that the Lord has done to allow us to be able to serve Him and His chosen missionaries.

Current Projects / Prayer Requests

We have been working closely with our sending church to establish a print shop in the D/FW area. The Lord has blessed with a building, presses, and even people that can train us on how to use those presses. Of course, whenever the Lord is working, be sure that the devil is going to attack. His attack came in the form of a break-in and vandalism of not only the building, but the printing presses. Please be in prayer as we continue to work toward having The Bible Baptist Press up and running this year. We believe it is the Lord's will to have His Word printed and distributed from this area.

We have also been working to prepare a HOME TEAMS storage building. This would allow us to collect items for missionaries that will need them in the future, but not necessarily right away. We have been blessed with a large building on our home church's new property, and we will begin to 'test' it out immediately! We will begin collecting medical supplies for the Allens to Papua New Guinea again. The needed items will be the same and we will collect these items steadily over the next few years and be ready for the next need. If you would like to help, or need a copy of the list, please let us know.

The items that were collected last fall for VBS Express are ready to be shipped to the Philippines. We are learning all about the wonderful world of freight shipping. We hope to have everything on it's way in the next two weeks. Also, please be in prayer for a wonderful opportunity that the Lord has opened for Bro. Bingham. He has been invited to the Philippines to have a part in helping during the VBS this year at Bro. Teodoro's church as well as a big day at the end of that week. We are asking for prayer specifically for the finances for the trip, for souls to be saved, and for safety.

Please pray for our meetings this month and for the safe delivery of AJ on the 18th!

For the Great Commission,

The Bingham Family
