

HELPING OUR MISSIONARIES EXCEL,  
TEACHING EVERYONE ABOUT MISSIONS SUPPORT

### **January/February 2012**

Dear Friends and Supporting Churches,

#### **Completed Projects**

Over the past few months, God has allowed us to raise the needed funds for a car which will carry a missionary all over the country to raise the needed support to get to the mission field. It is very exciting to be used on the "ground level" of a work for God and the Great Commission! Also, we just received a folding machine for a missionary who prints his own tracts and was spending hours folding them by hand. If you have ever printed and folded your own tracts you know this can be very time consuming, but, with the help of the machine, he will be able to tri-fold 1000 tracts in less than nine minutes! It is often said "time is money", but on the mission field "time is souls"!!

#### **Upcoming Events/Projects**

Praise God for His provision! About two weeks ago we were the recipients of a very gracious invitation to a week long missions conference with Dr. Garry Way at Crossroads Baptist Church in Gainesville, Texas March 6-11. Please pray with us for the conference and that God would allow us to be an encouragement and a blessing to this great church.

Though the trip will be shorter than planned we are still headed to the Navajo Nation for spring break (March 12-16) for our first missions trip! We are looking forward to seeing and serving with Joel and Fabiola Haynes who are good friends from Bible college. We are trying to provide a Bible for every child that will attend their VBS this year. We are also taking them some other supplies that should work well with their theme of creation.

I have not been able to get as far as I wanted to on my private pilots license as the weather, finances, and time off have not been on the same schedule enough. I have been able to accomplish much and only the final preparations for the check ride remain.

#### **Family Update**

We found out this month that we are having another girl! Hannah Elizabeth Bingham should make her debut sometime towards the end of June! Our children are very excited and we look forward to this new chapter in our family's life!

In His service,
