

HELPING OUR MISSIONARIES EXCEL,  
TEACHING EVERYONE ABOUT MISSIONS SUPPORT

### **January/February 2013**

Dear Friends and Supporting Churches,

The new year is certainly off to a great start! In these first two months we have been privileged to present our ministry in three churches, and have had two of those churches add us to their missions family through monthly support! We are looking forward to more meetings in the near future.

#### **“Missions” Completed**

We were able to send several cell phones to the Scheper family in February. These cell phones will be a huge help in scheduling rides, and enabling communication with the deaf people they minister to.

We were also able to purchase a set of Betty Lukens flannel graph for the Gansemer family, missionaries to Argentina. We will be getting this cut out and ready ship to them for use in the new church they are starting when they return to Argentina.

We were blessed to have members from three churches attend our HOME TEAMS work day recently. There were eleven women and 20 children in attendance to cut out flannel graph and assemble wordless book bracelets. The fellowship was a blessing, and we were able to see much progress on both projects by the end of our time together! Thank you to all that were able to help!

#### **Ongoing Events/Projects**

We are nearing the completion of BookIt! To Uganda. We have been blessed by several large donations from various churches and libraries in the last two months, bringing our current total to 5,605 books and 736 magazines! We are very close to our goal of 6,000 books! We covet your prayers as we finish this project and prepare to transport these items to Missouri in mid April.

Operation: Duffle Drop is our newest project. We are trying to locate military style duffle bags for the Cone family. They are preparing to leave for Thailand this year and would like to move their belongings in these duffle bags. If you have any military style duffle bags that you would like to donate, please let us know. Also, if you would like to donate monetarily to this project, we have a place we can purchase these also. Please mark any donations with Duffle drop or Cone family.

Many corrections were made after the final proof-reading of the Samoan Bible so it has become necessary to complete a final, final proof reading. Our team will be working backwards through the New Testament. Anyone who would like to help with this project please contact us, and we can get you started.

Once again, thank you to our supporting churches. Please pray for God’s wisdom and provision as we raise our support while striving to serve our missionaries at the same time. Never forget to pray for our missionaries specifically. God has answered requests these last few months that even a lost person has to give God the glory for!! God has been so good and prayer does change things!

For the Great Commission,

The Bingham Family
