June/July 2014

Dear Friends and Supporting Churches,

Deputation

We had a wonderful time on June 23rd with Texas Baptist Church. We went soul winning with them that afternoon and Melissa, JR, and I each had the privilege of leading a soul to Christ! It is so exciting to see God using our whole family in His work! That evening we had a good service and many came afterwards to see how they can help their missionaries excel in God's work. We had another meeting scheduled, but it had to be postponed because of sickness in our family, but God used that to reschedule it close to another meeting we have in the same area. We are looking forward to being on the road next week and then back in time to help with our church's VBS the week after.

We have taken new family pictures now that we believe God has completed our family with AJ (doctors strong suggestion). The new prayer cards and letterheads have arrived and we will be sending many packages by mail and email to try to get our deputation going strong again. Please pray for this portion of our ministry.

Ministry

We have been very busy with the various 'arms' of our ministry. We have become much more familiar with our Adobe CC Suite and have started stepping out to help missionaries in designing prayer cards, tracts, and videos for their ministries. We have projects going on for two different missionaries and a third project is about to begin. We are one of the few who will offer these services free of charge to the missionary. Please pray for God's blessing on this effort.

We are also still building relationships with missionaries and their works. This past week we had the privilege of hosting a Filipino national in our home for a few days. We were able to help them and encourage them, and they showed us a shipping company specifically for the Philippines that will greatly reduce the cost of VBS Express and allow us to send even more supplies. Please begin watching the sales and pick up a few extra items for these thankful children. If you need a list of what we still need, please contact us. This year we hope to add Bibles purchased from the Dollar Tree. Please contact us if you would like to be a part of this need so we can make sure we are all purchasing the same item.

Needs

Please pray for God to lead us to missions needs that will require more of a group effort which will give many people an opportunity to be involved. Also, please pray for our financial needs and for God to put us in a position to be able to give more. We need God's power. We have been seeing many souls saved through our witnessing efforts and want God to increase that.

God bless each of you who make this ministry possible and keep praying for your missionaries!

For the Great Commission,

The Bingham Family
