

HELPING OUR MISSIONARIES EXCEL,
TEACHING EVERYONE ABOUT MISSIONS SUPPORT

The Bingham

*Missionaries in Support of Independent
Fundamental Baptist Missions Work*

July/August 2015

Dear Supporting Churches and Friends,

Mission Samoa

Many of you will remember a deployment I took to Antarctica at the beginning of the year which allowed me to visit the mission field of Australia for two weeks on the way home. God has seen fit to make that available again this coming year. The deployment will be longer, but four weeks of that time will be in New Zealand. This will be a great opportunity to help a missionary during off duty hours. Also, I will have another opportunity to visit a mission field on the way home. This year God has led us to the Samoan Islands and missionaries Jim and Emi Civale. Yes, I said us. We plan on Melissa flying to New Zealand at the end of my commitment there so we can fly together to Samoa. She is very excited about her first trip out of the country. Please pray for wisdom as we plan, as well as provision to make the trip a success. A few years ago we were blessed, as some of you were, to have a part in putting the Samoan Bible back in print. Now, we are excited about seeing the grace of God at work through the Civales and pray that God will use us while we are with them and their people.

Opportunities

VBS Express - God allowed us to help Bro. Civale with much needed school supplies for their Academy in Somoa. However, we are still collecting school supplies for three separate Filipino works. Many churches and individuals have helped already, but there is still a great need for you to have a part in the project. Please let us know if you would like to help. We plan to ship these items to the Philippines in November.

Mi Cocinita (My Little Kitchen) – We have had a great response to this project. To date, no finished “Kitchens” have been turned in, but we know that many are working to complete these blessings so that they can be used by the Murillos in Mexico. If you would like to help, it is not too late - please let us know.

Media Projects

Due to failing computer equipment, our media projects stalled over the past few months. But, God provided a very nice system that is able to process all we are trying to create. Now, we are fully operational and looking forward to supplying all types of products to our missionaries. Presenting a vision and condensing decades of ministry blessings into a video that is less than ten minutes long can be a daunting task, but we know God will direct and use these samples to burden many for missions. Please pray for wisdom as we create media for deputation and furlough ministries.

Thank you for your continued love and care for this ministry and for your missionaries.

For the Great Commission,

The Bingham Family
