March 2014

Dear Friends and Supporting Churches,

God has been good and provided all our needs over the past month as we continue to work in His ministry.

Deputation Update

We presented HOME TEAMS during a missions emphasis month in Lubbock this past month and met some wonderful people that we pray God will allow us to serve with in the future. Hannah was sick during that time so only Jeremy and J.R. made the trip. God provided safety and a good time. The church has a great heart for missions and we look forward to staying in contact with them.

Projects / Printing Ministry

This past month we shipped over 200 pounds of donated supplies to the Philippines. Those supplies should arrive any day now and will be sorted and ready for a VBS in May.

We also loaded up a missionary with more than 250,000 pieces of scripture. These English and Spanish tracts, John/Romans, and Bibles are on their way to the Navajo and the border.

We look forward to printing God's word very soon. God gave use two more presses this past month that are ready to run! There is still some minor construction that needs to be done, but the biggest problem before us is still the lack of electricity to our building. Please pray with us that God will provide this needed resource!

Philippine Trip

We are excited about Bro. Bingham's trip to the Philippines in May. His passport came in towards the end of the month and God has also provided a great deal on an airline ticket. We have talked to both missionaries and will continue planning the many events during the short 2 week trip. Please continue to pray for the preparations and the money to be raised.

Family Update

We are excited to announce that our daughter Samantha called on the name of the Lord this past month and was saved in our living room. Bro. Bingham had the privilege of baptizing her as well.

For the Great Commission,

The Bingham Family
