Dear Supporting Friends and Churches,

A common misconception among Christians today is that if you aren't doing something "BIG" then you aren't doing enough. All too often, people think that what they are able to do isn't big enough or won't have a big enough impact in the eyes of others, so they do nothing. Little is much when God is in it and everything that is done for the Lord is important!

We had the privilege of meeting the Donny Brown family, missionaries to South Korea. We will be helping them put together their video presentation. The Brown's have a strong burden for the military serving in that region and we are honored to have a small part in helping them on their deputation trail.

Graphic Design and Photography can be quite expensive for a missionary family. We are thankful that the Lord has allowed us to help in both of these areas for the Reppond family. We were able to not only take their family picture, but also design their prayer cards for them - free of charge. We look forward to helping others with this in the future.

Victory Baptist Church in Ubay, Philippines celebrated their second anniversary this month! We were thankful to be able to send a little money to them to help with supplies to make their celebration a little more exciting.

The Lord works in mysterious ways! While doing a little Spring Cleaning, Melissa came across several unused curriculum books and items. The Lord brought the Curran family to mind, and amazingly it was just the thing that Mrs. Curran had been thinking would be helpful! We shipped those items to them, and pray they will be a blessing!

The Brock family began a new church plant in Breckinridge, TX this month. We were able to help with much needed sound system equipment, and nursery items. Their first Sunday was a great success and we are planning a soul-winning time in the near future to help the Brock's spread the Gospel in that area.

This month we were able to put together a small box of medical supplies and nursery items for the Lopez Family in Mexico. These items were delivered by Anna Lopez's uncle, Bro. Lanny Ashcraft. We look forward to being able to send more supplies through Bro. Ashcraft.

Please continue praying for our ministry and our missionaries and remember, stay involved in missions no matter how small it seems.

For the Great Commission,

The Bingham Family
