

HELPING OUR MISSIONARIES EXCEL,
TEACHING EVERYONE ABOUT MISSIONS SUPPORT

The Bingham

*Missionaries in Support of Independent
Fundamental Baptist Missions Work*

May/June 2015

Dear Supporting Churches and Friends,

Update

The past few months have been a period of transition for us. God used my last mission trip to confirm our call to pastor the youth at my home church. God also provided a full time job with a schedule that will allow for this extra ministry. We are more determined than ever to help missionaries and teach our youth (many who have already accepted the call to missions and ministry) to do the same.

The personal support that we have received has been a great blessing in helping us recover from a tough 2014. However, now with a stable income, it will not be used for our personal needs, but placed in our ministry's account to be used on projects and other ministry goals as God directs. Your continued financial support will be greatly appreciated and have a profound impact on the projects we are able to complete as well as our ability to expand our ministry through aviation.

Even through the transition we were blessed to continue deputation preparations with a new missionary including the design and purchase of prayer cards. We also worked on an emergency basis to help a missionary on deputation procure a part needed for their motor home which had broken down.

New Opportunities

VBS Express - It is "that" time of year again! We are excited to be able to help once again with shipping Vacation Bible School supplies to the Philippines. We are praying to be able to help with three different national pastors this year. For a full list of needed items, please see the separate attachment.

Operation Restore - In May of this year we received word that, during their furlough, a fire had destroyed the entire home of Bro. Travis Lewis. Praise the Lord that no one was harmed in the fire, but everything was lost. We will be collecting household items and other needed things that the Lewis' will use to rebuild what was destroyed once they return to the Philippines where they have faithfully served for many years.

Mi Cocinita (My Little Kitchen) - Bro. & Mrs. Rob Murillo have a much needed work with orphans in Mexico (4 separate homes). We will be sending a little love to these children by creating portable, play "Kitchens" for the homes. There are two ways you can help: first, if you are creative with a sewing machine and would like to make your own "kitchen" that would be a huge blessing! Secondly, if you are not handy with a sewing machine, but would like to donate materials to make "kitchens" that would be a blessing as well. Our goal is to send 10 "kitchens" along with other supplies to the homes (please see attachment).

Pastors of supporting churches and supporting families, please contact me with any questions about our direction or goals. Thank you for your sacrificial involvement in missions.

For the Great Commission,

The Bingham Family
