November/December 2015

Dear Churches and Friends,

Happy New Year and Kia Ora (Hello) from New Zealand! Over the past few months God worked out His plans for my deployment to Antarctica again this year. As you know, we had planned on following up my duty with Melissa meeting me in New Zealand and flying together to Samoa to be with missionary Jim Civale for a few weeks. God had another plan and after all the previously purchased 'non-refundable' tickets were refunded and a new ticket purchased, Melissa is now in Christchurch, New Zealand with me. We have met and spent Sunday with a wonderful missionary couple the Gabbards and pray that we can be a blessing and an encouragement to them and their people while we are here.

We praise God that the past few months have again been very busy for the ministry. The three big boxes for VBS Express were shipped to the Philippines which should be delivered by the end of January. Bro. Robideau, a missionary in Nepal, taught the gospel with the 250 candy canes we sent, and six 'blessing boxes' were sent to six different missionary families.

Annabel's Angels was a success as six boxes of gifts made it to the orphans in time for them to have a very blessed Christmas. Also, the Heart for the Homeless project finished strong with over two van loads of donated items delivered. May God bless each one of you who donated and helped fulfill the needs of these projects.

The media portion of our ministry continues to take on more projects. Over the past two months we filmed two interviews, produced two deputation videos, and updated a furlough video. We also took on and completed a display banner project for the Flores family currently on deputation to Mexico. These projects are high reward projects because they provide items that will get missionaries to the field or keep them on the field which are normally very costly. However, God has made it possible through your support for these vital tools to be given to these missionaries at no cost to them.

The last Sunday before we left the country, God allowed us to teach Sunday school, present HOME TEAMS, and preach for Bro. Scott Griffin and Faith Baptist Church in Aurora, TX. The church voted to take our ministry on for monthly support before I preached the morning service, and then we went with the Griffins and some of their church members to pass out clothes to the homeless in Fort Worth. During that time I had the privilege of leading a young man named Brandon to the Lord. Praise God!

Our family had a wonderful Thanksgiving, Christmas, and New Year. We want to thank you for all the prayers and support you have given to our family and our ministry in 2015 and for all the extra blessings that were sent for Christmas as well. May God bless you and allow you to do more for Him in 2016.

For the Great Commission,

The Bingham Family
