November-January 2017

Dear Churches and Friends,

We hope this letter finds you all doing well & prospering in the New Year. Our family enjoyed a wonderful holiday season full of sweet time and fellowship with church and family.

Completed Projects

We are happy to inform you all that VBS Express has left the station! Three very full boxes were shipped to the Philippines in early December. Thank you all so much for your help with that project. We are excited to hear what the Lord will do with those supplies.

Over the past few weeks, we have been involved in producing a furlough video presentation for Bro. & Mrs. Tony Davis, missionaries to Tanzania. This work is tedious, but the end results and the savings to the missionaries are always worth it!

Looking Forward

We have another small video project coming up in the next few weeks. I am excited to go back to something we have already done and make changes and improvements. We are not a "one and done" ministry to our missionaries, and we praise God that missionaries return and continue to lean on us.

We will also be working on updating our own presentation, website, prayer card, and this letterhead over the next few months! We are excited to see what the New Year holds for HOME TEAMS Missions. We have many goals in aviation this year and we will be heavily involved in a project that will create both a short stay and an extended stay missionary quarters close to our church. We look forward to anything else the Lord will have us do for missions this year. As always, we appreciate your prayers as we seek God's guidance and provision for this ministry.

For the Great Commission,

The Bingham Family
